1 One morning, a man 🧑 woke up in his 🏠 and, looking at the 🕒, exclaimed in panic, "I missed my train!" He hurriedly took a 🍞, had some 🥛 for breakfast, and rushed to his garden. He had an old 📖 that reminded him of his grandparents, and he said a little 🙏 as he wore it. With determination, he 🚶 to the train station. He happily found his seat, but after the train 🚂 arrived, his eyes popped wide open. He saw an odd kid sitting in his seat, playing with a 🧸. The kid gestured him to sit down, and the man couldn't believe his eyes! The kid opened the 📖, revealing a picture book of a 🏔️. From the book came a voice, "To move forward, we must go to this 🏔️!" The man was utterly bewildered and decided to follow the kid. They began a hilarious journey together, and the kid kept singing, "To move forward, we must go to this 🏔️!" As they went on exciting adventures, the kid continued to sing, while the man thoroughly enjoyed the journey, always with a 😊. They discovered that the secret was hidden within the pages of the book.

6 I was happily asleep then suddenly i had a bad dream of bathing in this cold weather. I prayed to God please no and screamed on a loudspeaker and ran away in sleep. Then i imagined myself dancing to the beat and winning the prize and it was a vacation to hills and beaches and suddenly the alarm snoozed and i woke up.

7 I was sleeping, realized it was 7 AM, got ready, and started praying. Suddenly, I heard someone calling, hurried towards the noise, and some music started playing. It was my boss. Said "I have a gift for you – a getaway with the whole team, a fancy lunch at a café amidst the mountains with a spectacular view." Just then, the alarm rang, and I realized that the entire time, I had been dreaming. It was, in fact, 10 AM on a Sunday morning.

2 Muh khol ke so rha tha tabhi alarm bja aur mai uth gaya. Ab office jana hai to nahana to pdega nai to sabhi hath jod ke bolenge bhagne ko. Chalo kuch tasty kahne ka man hai dil yehi gun guna rha hai "khali pet ka ilaaz chicken kukdu ku" but lunch mai thapa ne present mai rajma hi khilae. Ab to bas jannat naseeb ho jae. Arre bhaishahab 5 baj gaye. Ghar jake sona hai.

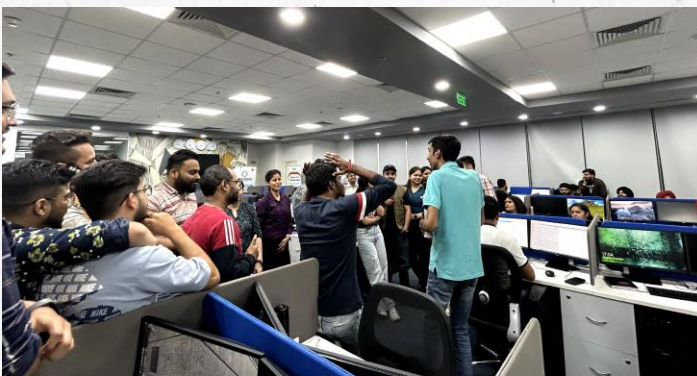

3 Sone gya toh subha ho gai, fir office jaane k khyal se tension hogai, nahaane gya toh paani khatm, haath do k kaam chalaya, bhagte bgate office aya, gana sunke pending task ki tension bhulai, thodi der m Diwali gift aya mithai k saath , Bonus k paiso se trip ki planing ki, budget dekha toh need sasti lgi.

4 Ram Ram Bhai Sariya ne, आज मेरी Office का 1 saal 1 mahina 23वां दिन. हमेशा की तरह, मैं आज ऑफिस नहीं जाने का सोच रहा था 🤔 पर क्या करें, जाना जरूरी था। मुझे थोड़ा उदासी महसूस हुई 🙄, मैं बिना मन ke उठा और नहाने 🚿 चला गया। आज ऑफिस में देर से पहुंचने की वजह से मैंने Manager से माफी मांगी 🙏 और फिर Khae थोड़ी se गाली 🗣️. गाली Khane ke bad mai 'दौड़' ke apne sheat pe chla gya और काम करने का नाटक करने लगा 😊 फिर मैंने Suna Gane 🎵. फिर ऑफिस के PC पर, मैंने Flipkart खोला और एक Friend के लिए Gift 📦 Order kiya. फिर मैं ऑफिस ka Free ka खाना खाने चला गया 🍽️. खाना खाने के बाद, मुझे समुंदर के किनारे लेट जाने की Feeling आई 🌊. समय तेजी से बीत गया और शाम के 6 bj gya, इसलिए मैं घर चला गया और सो गया 😴। Ye rahi aaj ke self 🧑.

5 Mai subha utha thodi susti mari fir nhaya fir ram ram sare bhaiya nai bolkr runnig krne chala gya fir bhok lag gyi to. mai gane sunta sunta khana lene gya raste me mane gift liya fir ek islad pr ped ke niche 11:30 bje khana kha kr so gya

8 Once upon a time, there was a young woman named Sitara who was feeling very tired and stressed. She had been working long hours and hadn't had much time to relax. One day, she decided to take a break and go on a vacation to a remote island. Sitara arrived at the island and was immediately struck by its beauty. The sand was white and powdery, the water was crystal clear, and the palm trees swayed gently in the breeze. She found a small cabin to stay in and then headed to the beach to relax. Sitara lay on the beach and closed her eyes. She listened to the sound of the waves crashing on the shore and the birds singing in the trees. She felt her stress and tiredness melting away. After a while, Sitara got up and went for a walk. She explored the island and found a beautiful waterfall. She took a dip in the cool water and felt refreshed. Sitara spent the next few days relaxing on the island. She swam in the ocean, hiked through the rainforest, and ate delicious food. She also met some of the locals and learned about their culture. One day, Sitara was exploring the island when she came across a volcano. She had never seen a volcano up close before, and she was amazed by its size and power. She decided to climb the volcano to get a better view. Sitara climbed to the top of the volcano and looked out at the view. It was breathtaking. She could see the entire island and the ocean beyond. She felt a sense of peace and tranquility that she had never felt before. Sitara stayed on the top of the volcano for a while, enjoying the view. Then she made her way back down. She knew that she had to go home soon, but she would never forget her vacation to the island. When Sitara returned home, she felt refreshed and rejuvenated. She had learned the importance of taking breaks and relaxing. She also learned to appreciate the beauty of nature. Sitara's story is a reminder that we all need to take some time for ourselves to relax and recharge. We also need to appreciate the beauty of the world around us.
